The 2020-2021 State and Local Candidate Application and Agreement

Due to the results of the pandemic, a candidate eligible to compete in the 2020 state and/or national competition(s) is now eligible or “grandfathered” to compete in the 2021 state and/or national competition(s). This “grandfather” clause pertains to age eligibility (section 2.2), residential eligibility (section 2.4.1), student status eligibility (section 2.4.2), and employment status (section 2.4.3).

For State Competitions being held in 2020 and their state titleholders will compete in the national 2021 Miss America Competition, candidates meeting eligibility in 2021 where no state competition is held in 2021 are eligible or “grandfathered” to compete in the 2022 state and/or national competition(s) in those specific states only. This “grandfather” clause applies to the MAO state licensee which holds a state competition in 2020 and will not hold state competition in 2021. This “grandfather” clause does not pertain to any MAO state licensee holding their state competition in 2021. The “grandfather” clause only pertains to age eligibility (section 2.2), residential eligibility (section 2.4.1), student status eligibility (section 2.4.2), and employment status (section 2.4.3).
